Best Angle Shot

Description:

Participants must capture the best photograph that represents a creative angle or perspective.

Specific Rules:

1. This is an individual event.
2. Only one entry per participant is allowed.
3. The photograph must be original and taken during the fest.
4. Editing is allowed but limited to color correction and cropping.
5. No watermarks or signatures allowed on the photos.
6. The photo should be submitted in JPEG format, with a resolution of at least 300dpi.

Best Reel Making.

Description:

Participants are required to create a reel (short video) that best represents the fest or their creative vision.

Specific Rules:

1. A team can consist of 1 or 2 people.
2. The reel must be between 15 to 60 seconds long.
3. Participants can use music, but it should be copyright-free or credited appropriately.
4. The video must be shot and edited by the participants.
5. Only one reel per participant/team is allowed.
6. Submit in MP4 format, with a resolution of at least 1080p.
7. Watermarks and logos are not permitted.
8. Reels will be judged on creativity, narrative flow, and visual quality.

Best Short Movie

Description:

Teams must create a short film that tells a compelling story related to the fest or a pre-defined theme.

Specific Rules:

1. A team can consist of 5 to 20 members.
2. The short movie must be between 5 to 25 minutes long.
3. All content, including music and visuals, must be original or properly credited.
4. The movie must be shot and edited by the team.
5. Only one submission per team is allowed.
6. Submit in MP4 format, with a resolution of at least 1080p.
7. No offensive or inappropriate content.
8. Movies will be judged on storytelling, production quality, and creativity.

Code of Conduct

All participants must maintain professionalism and adhere to the college's conduct guidelines.

Disqualification may result if any content is found to be plagiarized or inappropriate.

Judges' decisions are final, and no disputes will be entertained.
